Westfield Evangelical Free Church  
Women's Bible Study Spring Semester

## Boundaries

by Dr. Henry Cloud & Dr. John Townsend

People often focus so much on being loving and giving that they forget their own limits. Have you found yourself wondering: Can I say no and still be a loving person? How do I answer someone who wants my time, love, energy, or money? How do I stand up to hurtful behavior or abuse? Why do I feel guilty when I consider setting boundaries? In this award-winning New York Times bestselling book, Drs. Henry Cloud and John Townsend give you biblically based answers to these and other tough questions. Unpacking the ten laws of boundaries, Drs. Cloud and Townsend show you how to bring new happiness and health to your relationships.

## Women in the Word Mission Statement

OUR VISION is to encourage women to know Christ, to love Christ, and to demonstrate Christ.

WE BELIEVE that the Word of God has power to accomplish this transformation.

OUR MISSION is to engage women in the study of the Bible, and to nurture their relationship with Jesus Christ through worship, prayer and small group discussion.

WE VALUE individuality and community in Christ.

## Wisdom of God

by Nancy Guthrie

Bible teacher Nancy Guthrie provides clear commentary and contemporary application of biblical truths found in the Wisdom Books - Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon.

Through His Word we will learn how:

- God guides us.
- We can make sense of our suffering and dissatisfaction in life.
- To deal with our uneven emotions, our needs for security, and our longing to be loved.

This study will include her video and reading of her book throughout the semester. Join us and gain perspective on the Wisdom Literature - a broader understanding of Jesus as the fulfillment of Scripture as we see Him in the Old Testament.

Book Cost: \$14
