- Here is the link for the **Candidate Weekend Church Picnic**: <https://westfieldefc.breezechms.com/form/picnic>

## Monday

The elders have called for a special church business meeting, at 7:00pm to vote on the candidate

- This will be a ballot vote
- **You must be present in order to vote** (at the church, per the church bylaws)
- You must be a member to vote
- If you are not comfortable being in the building, we will be using the back parking lot for you to attend the meeting. The meeting will be broadcast and we will have a runner to take your vote. Please let the church know that you will be attending the meeting via your car (the meeting will be broadcast)

## PLEASE TAKE NOTE OF THE FOLLOWING:

- Every member should have received a link to register for the Town Hall meetings. Please register right away, in order to assure your seat, if you want to attend in-person. **The links for the Town Hall meetings will be made available to EVERYONE, starting this Thursday, April 15th.**
- Everyone can attend as many Town Hall meetings as you wish. However, please remember, as you sign up, to give some time to allow others to sign up for in-person meetings before you take additional spots. We will have overflow rooms available if needed
- There will be two Sunday morning services, as normal. However, you will need to register for the Sunday morning services through the church website (**PLEASE NOTE that this is a different registration than the Town Hall meetings**). You will need to use the same link that you have been using for registering for the church services
- We are asking you to remember the importance of the candidate's confidentiality. He has informed his staff and elders, but not his congregation. Obviously, we will be sharing his full name with you the weekend he is here, however, we will not be using his full name during the Live Streamed 10am service. Please do not post his name on social media. We would also ask that you respect this, assuming we vote "yes", after the vote, until he has had the chance to communicate with his church congregation. Thank you

## Finally

- You will be receiving an email today asking you to submit the "**Most Important Question**" that you would like to ask the candidate. We will be

taking the top 8-10 questions and dividing them up between the first two Town Hall meetings (the meetings that will be Live Streamed). Next week we will give you the schedule of which questions will be asked, and when they will be asked. The meeting moderator will ask the questions at the beginning of the time for questions. **Please Note, that if your question is not on the list, you can still ask it during the open mike time.** We want to make sure that the most important questions, of the church, are asked at the beginning of each time of questioning. There will be plenty of time for open mike questions during the meeting.

- **If you have any questions at all, about the candidate weekend, or about the process, please contact one of the pastors or an elder, by phone or email ([info@westfieldefc.com](mailto:info@westfieldefc.com) or [elders@westfieldefc.com](mailto:elders@westfieldefc.com)).**

Please continue to be praying for God's leading in the call of the next Lead Pastor of WEFC.
