

We live in a time full of distractions that come to us in the form of suggestions, promises, and programs for what the world considers successful living. It can be easy to get off track and lose sight of what really matters. Scripture provides laser focus on what our priority is to be: Jesus. From Old Testament writers like King David in Psalms to New Testament writers like the Apostle Paul in Ephesians, the Bible gives clear direction concerning ways we can focus on “one thing”.

Come away with us to beautiful Hume New England Christian Camp for this weekend retreat designed to allow ladies to refresh and renew their walk with the Lord. Enjoy time with old friends and the opportunity to make new ones as we “fix our eyes on Jesus.” Women from our own church will lead teaching times and application activities centered on biblical “one thing” texts. Our time together will also include praise, worship, prayer, rest, and plenty of laughter.

We look forward to this time on the mountaintop with you away from the busyness of life. Let’s grow together as we look at the “one things” of scripture. You are sure to leave uplifted and refocused on what it means to “fix our eyes on Jesus” (Hebrews 12:2).
